

HTA/OC-121-58

1 July 1958

MEMORANDUM FOR: Special Assistant to the DCI for  
Planning and Development

FROM: Chief, Project HTAUTOMAT

SUBJECT: 117L Advisory Committee Meeting in Los Angeles,  
8-10 July 1958

REFERENCE: Ltr of 17 June 58 from H. H. Goode, Chairman,  
W-117L Committee

1. As you will note from referenced letter attached the 117L Advisory Committee is now addressing itself to some of the difficult problems involved in satellite operations including optical tracking, simulation studies, data collection, and information handling.

2. It is planned that [ ] and I will be leaving for Los Angeles on 6 July to participate in the subject meeting as well as to examine certain R & D items being developed for us on the West Coast.

3. The purpose of this memorandum is to inform you of the meeting and our participation in it, and to inquire if there is any subject or line of questioning of particular interest to you which we might follow up during the course of our discussions there. I would be happy to come to your office for any counsel or suggestions you might have to offer.

ARTHUR C. LUNDAHL  
Chief, HTAUTOMAT
